One of the greatest gifts we can give is to be conscious and intentional about the legacy we live and the one we'll leave behind.

**Gloria Burgess**, internationally acclaimed speaker and author of *Legacy Living: The Six Covenants for Personal & Professional Excellence*, will be your ally and guide as you embark on the most exciting journey of your life, a legacy of the heart. Through reflection, collage, journaling, music, movement, and time in nature, you will reconnect with your inner core and with your soul's desire. You will leave refreshed, recommitted, and rejoicing about living your legacy, *now*.

The setting for ***Legacy of the Heart*** is the Hui Ho'olana Retreat Center (Hui) on the sacred island of Molokai. One of the many benefits of this intimate, rustic retreat center is that ours will be the only group onsite. Situated at 1,300 feet (400 meters) above the sparkling Pacific Ocean, the Hui is located on 100 majestic acres. The Hui cooks are renowned for their delicious, healthy cuisine. Meals are sumptuous, vegetarian, and organic whenever possible. Savor your meals on the main lodge's wrap-around deck with vistas of the Pacific Ocean.

There will be ample time during the retreat to lounge in the sun, relax in the Hui's swimming pool, and experience the wealth of off-premises activities Molokai has to offer, such as hiking along the highest sea cliffs in the world, swimming at quiet, secluded beaches, ocean kayaking, and shopping in the nearby town of Kaunakakai. The Hui also offers soothing massage and bodywork by highly-skilled licensed massage therapists.
